Your "Invisible Guest"

SATURDAY, DECEMBER 25, 1920.

An "Invisible Guest" craves a place at your table today; a child whose name you may never know but for whom a parent's heart beats with as warm a love as your's beats for

The child is illy clothed, and the pinch of famine shows upon her cheeks. She suffers not with a healthy hunger, but from a lack of nourishment. Blood and tissue cry out for

She is one of the millions of children of Central Europe who must die if America withholds its aid. With \$10 her life can be saved.

You can put the flush of health into that child's face and buoyant vitality into those shrunken limbs, if you will.

Your dinner will be happier, your Christmas merrier, if your sympathy for the child takes the substantial form of a gift during your festivities today.--Macon County Committee on European Relief.
